

Informational and Orientation Sessions Announced

St. Lawrence County One-Stop Career Center administers training funds for unemployed or significantly underemployed adults and dislocated workers. Approximately one-half of the funds available for training this year are coming from the American Recovery and Reinvestment Act (ARRA) and are targeted to low-income/low-skill adults and to dislocated workers. Veterans who are unemployed or dislocated workers, or who may be of low income are a priority group for service when funds are limited as they are under the ARRA. Veterans and low income individuals are encouraged to apply early if they wish to be considered before all training funds are committed.

Financial assistance for training and/or educational programs must be used for the development of specific skills or occupations for which there is a reasonable expectation of employment. No training program that exceeds 24 months will be approved.

In order to apply, all applicants must attend one of the following Informational and Orientation Sessions:

ONE-STOP CAREER CENTER
80 State Highway 310, Suite 8, Canton, NY 13617
